## CA ELA

## Cost Per License

The exact cost to your command will be determined after license allocation.

**NOTE:** The contractor will be allowed to invoice monthly in the amount of \$720,053.25 for the base year period of performance.

## How is Cost Per License Calculated?

The cost of Enterprise Licenses and Base Year Maintenance was established upon contract award. The cost of Option Year maintenance will be apportioned among Army organizations per product usage, and the cost of CA licenses will be paid by user Commands.
